MODULE 01 • AUTHENTICATION & ACCESS

Signing In & Accessing Your Account

Remotale provides agency clients with a dedicated digital portal designed to eliminate email back-and-forth and uncertain delivery timelines. Your portal login credentials are provided directly by your Remotale Account Manager upon project onboarding.

1. **Navigate to the Remotale Portal URL**
   Open the secure web portal link provided by your Account Manager in any modern browser (Chrome, Safari, Edge, Firefox, Brave).

2. **Enter Your Client Credentials**
   Input your designated username (or email address) and password into the login card. Ensure capitalization matches.

3. **Instant Role-Based Redirection**
   The system automatically verifies your organization profile and immediately loads your personalized Client Portal dashboard.

Device & Browser Compatibility

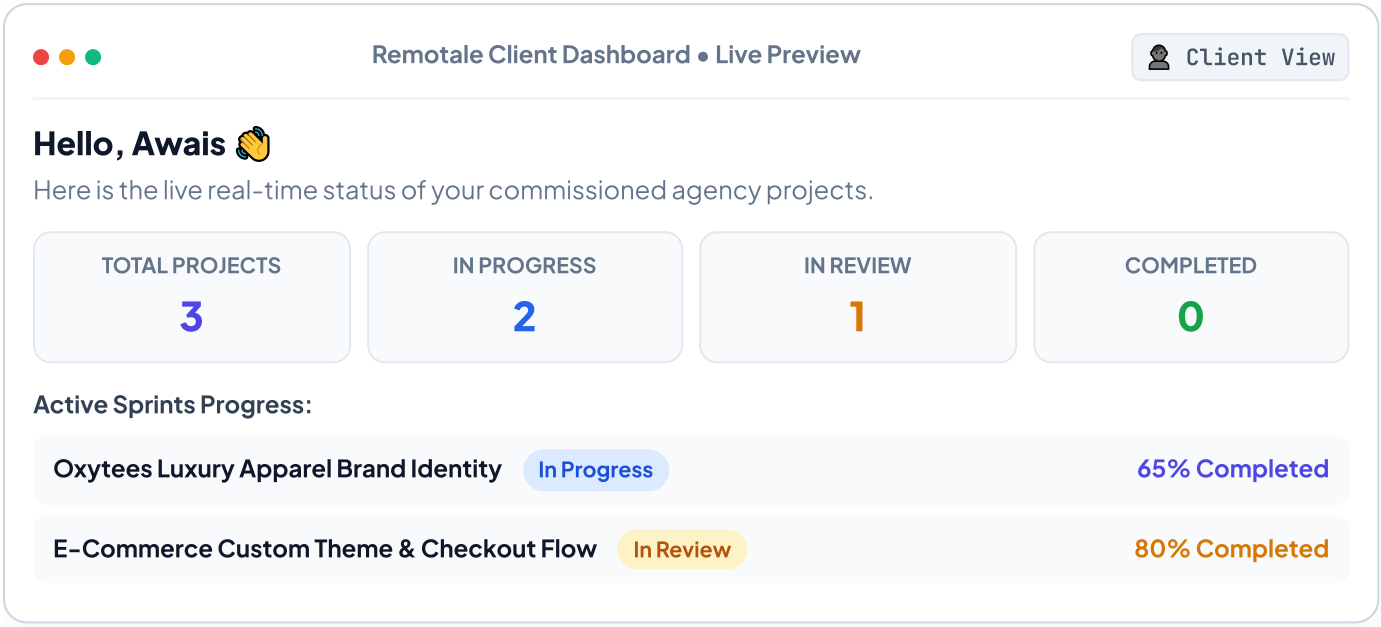

Platform	Supported Browsers	Experience Type	Status
Mobile (iOS & Android)	Safari, Chrome, Samsung Internet	App-like card layout with sticky bottom navigation	Verified 100%
Tablets & iPads	Safari, Chrome, Edge	Adaptive dual-pane grid layout	Verified 100%
Desktop & Laptops	Chrome, Edge, Safari, Firefox	Full widescreen command workspace	Verified 100%

🔒 **Account Security Reminder**
Always keep your portal login details confidential. If you ever need your password reset or additional team members added to your company account, contact **admin@remotale.com**.

MODULE 02 • NAVIGATION

Navigating Your Client Dashboard

Upon logging in, you arrive at the **Client Overview Dashboard**. This screen is engineered to provide an instant high-level status of your entire project portfolio in under 5 seconds.

Key Elements on Your Home Screen

Dashboard Element	What It Displays	How to Interact
KPI Metric Cards	Aggregated counts of your total, in-progress, review, and completed initiatives.	Gives you immediate status without digging through files.
My Projects Section	Visual cards with project titles, delivery target dates, and dynamic progress bars.	Click on any project card to open its full workspace.
+ New Project Button	Prominent button located at the top-right of your dashboard greeting.	Click to open the project scope submission modal.
User Profile Avatar	Top-right header circle displaying your initials and company name.	Click to reveal company profile details or Log Out.

MODULE 03 • EXECUTION

Projects Catalog & Detail Workspace

The **Projects Workspace** is where project collaboration occurs. It allows you to inspect granular milestone deliverables, review task statuses, and request new agency initiatives.

1. Filtering & Finding Projects

In the Projects tab, you can quickly filter your catalog using the quick status tabs: **All**, **In Progress**, **In Review**, and **Completed**. You can also type into the real-time search bar to filter by project name instantly.

Overview Tab

Displays the executive project brief, target completion deadline, assigned agency team leads, and live progress percentage bar.

Tasks & Checklist Tab

Detailed checklist of sprint items. Completed tasks are marked with green checkmarks, showing exactly what is finished and what is in progress.

2. Submitting a New Project Request

You do not need to draft lengthy email briefs. You can commission new projects or request feature additions directly from your portal:

1. **Click "+ New Project"**
   Available on both your Dashboard and Projects catalog header.

2. **Specify Project Scope**
   Enter the Project Title, preferred Target Delivery Date, estimated Budget (PKR), and detailed Scope Description.

3. **Submit Scope**
   Click **Create Project**. Your request is immediately queued in the Remotale system, and your Account Lead will review it and initiate production.

✓ Real-Time Synchronization

Whenever the Remotale engineering team completes a task or updates progress, your portal reflects the update automatically without needing a manual browser refresh.

MODULE 04 • FINANCIALS

Invoices, Statements & PDF Exports

Remotale provides an integrated, fully functional financial billing center within your Client Portal. You can access published milestone bills, review itemized line items, track settled payments, and download official branded PDF receipts for your accounting records.

TOTAL INVOICED	PAID & SETTLED	PENDING / PUBLISHED
PKR 350,000	**PKR 200,000**	**PKR 150,000**
Lifetime milestone billing	Settled milestone disbursements	Current open deliverables

Understanding Invoice Statuses

Status Badge	What It Signifies	Client Action Required
⏳ Published	The milestone has been achieved and an invoice has been issued by the agency.	Review the line items and process payment via your agreed payment channel.
✓ Paid & Settled	Payment has been confirmed and officially credited by Remotale.	Download the finalized receipt for tax and bookkeeping records.

How to Inspect & Download PDF Invoices

1. **Open the Invoices Tab**
   Click **Invoices** on the desktop sidebar or on the mobile bottom navigation bar.

2. **Click "View Details"**
   Click on any invoice card or table row. This opens the **Itemized Invoice Modal** showing item lines, unit rates, quantities, and totals.

3. **Download Official PDF**
   Click the **"⬇ Download PDF"** button inside the modal. The system instantly exports an official, high-resolution Remotale invoice ready for print or accounting filing.

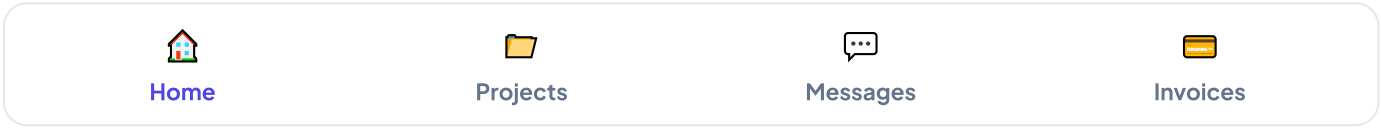

MODULE 05 • HANDHELD ACCESS

Mobile Portal Guide (iOS & Android)

Whether you are using an iPhone, Samsung Galaxy, iPad, or any mobile browser, Remotale provides an app-like, thumb-friendly experience designed specifically for mobile screens.

Mobile Bottom Navigation Bar

At the bottom of your mobile screen, you will find 4 primary navigation tabs:

Bottom Tab	Function & View	Highlights
Home	Opens your overview dashboard, 4 metric cards, and recent sprint status.	Fastest way to get a live status check on your phone.
Projects	Opens your full project list and interactive project workspace.	Inspect checklists and progress bars comfortably on mobile.
Messages	Collaboration hub & direct thread preview with your agency lead.	Quick preview of upcoming real-time communication tools.
Invoices	Fully functional financial ledger and billing statements.	Review itemized bills, check balances, and download PDFs on mobile.

Mobile User Profile & Logout Menu

In mobile view, your account options are located directly in the top header. Simply tap your **Avatar Circle** at the top right of the screen to reveal:

- Your registered Client Name & Company Organization
- Your registered Client Email address
- The 🚪 **Log Out** button for signing out safely from your mobile phone

> 📱 **Zero Zooming or Side-Scrolling**
> All tables, modal dialogs, and workspace cards automatically collapse into vertical card layouts on mobile, ensuring seamless operation on screens from iPhone 5 up to Samsung S26 Ultra.

MODULE 06 • CLIENT SUCCESS

Best Practices, Security & Support

To ensure smooth collaboration, prompt project delivery, and optimal use of your Remotale Client Portal, please follow these recommended best practices:

Prompt Milestone Review

When a sprint moves to *In Review*, check the deliverables and task checklist promptly so our engineers can transition directly to final QA and launch.

Detailed Scope Submissions

When clicking *+ New Project*, provide target reference links, brand goals, and specific deadline expectations to expedite scope approval.

Download Invoices for Records

Download PDF invoices immediately after milestone sign-off for your internal tax, audit, and expense reconciliation.

Secure Session Management

Always use the *Log Out* button in your profile menu when accessing the portal from shared or public computers.
